

Ayurvedic Clinical Assessment

July 23rd and 24th

Instructor - Dr. Dhaval Dhru, M.D.

Learn the secrets that can be revealed through Ayurveda's classical approach to assessment as described by Ashtavidh Pariksha, (Eight Fold Examination), focusing most of our time on:

Jihva – tongue evaluation
Drig – eye evaluation
Shabda – history, percussion
Akrti – frame, face evaluation
Sparsha – touch.

We will briefly discuss: Nadi – pulse, Mutra – urine, and Mala – stool.

You'll be delighted to discover a unique approach to the law of cause and effect from Ayurvedic medicine.
